Must be registered to participate in Costume Contest!

Don't forget your sponsor form!

Wounded EOD Warrior Foundation

Is a non-profit 501c-3 organization that provides financial relief to Wounded EOD warriors and their families when a loved one is injured. The aid provided is beyond the budgetary constraints of the Department of Defense and Department of Veterans Affairs. Families are an integral part of the rehabilitation process and we are proud to support our EOD community.

What is EOD??

EOD stands for Explosive Ordnance Disposal. These are the brave men and women serving in our Army, Marines, Navy and Air Force known as bomb technicians. They encounter all types of ordnance and on today's battlefields most commonly the IED, Improvised Explosive Device. There are over 4,000 bomb technicians doing this dangerous but necessary job.

The Wounded EOD Warrior Foundation depends on donations and fundraisers. It is the generosity of others that allows us to offer "**compassionate solutions**" to our Wounded EOD Warriors and their families. Please consider joining the fun and supporting a great cause!

This event would not be possible without the support of the
Fredericksburg Parks and Recreation Department and Fredericksburg Rescue Squad!

For more information, or registration form, please visit www.woundedeodwarrior.org
