

WOUNDED
EOD
WARRIOR FOUNDATION

“Compassionate Solutions”

The Wounded EOD Warrior Foundation is a nonprofit 501c (3) organization that provides funds and support to military EOD families caring for their loved ones at military medical facilities across the country. The resources provided to the families are above and beyond the budgetary constraints of the Department of Defense and the Department of Veterans Affairs. The resources of the foundation are entirely obtained through donations and fundraising events. The grants issued to eligible families can be used for a variety of needs; examples include plane fare, lodging, and child care. We sincerely appreciate your support.
