WOUNDED EOD WARRIOR FOUNDATION

Wounded EOD Warrior Foundation

Wounded EOD Warrior Foundation is a non-profit 501c-3 organization that provides financial relief to Wounded EOD warriors, personnel in direct support of an EOD mission and their families when a loved one is injured. Families are an integral part of the recovery and rehabilitation process and we are proud to support our EOD community. We depend on donations and fundraisers. It is the generosity of others that allows us to offer "compassionate solutions" to our Wounded EOD Warriors and their families. Please consider joining the fun and supporting a great cause!

What is EOD??

EOD stands for Explosive Ordnance Disposal. These are the brave men and women serving in our Army, Marines, Navy and Air Force known as bomb technicians. They encounter all types of ordnance and on today's battlefields most commonly the IED, Improvised Explosive Device. There are over 4,000 bomb technicians within the Army, Marines, Navy and Air Force doing this dangerous but necessary job.
